1. We have also visited Waikhom Mani Girl's College, Thoubal Okram Manipur and S.K. Women's College, Nambol, Bishenpur District to study about the infra-structure, course offered and facilities available in the respective colleges.

### A. Visited Different Home Science Colleges namely:

#### 1. Waikhom Mani Girls' College, Thoubal Okram, Thoubal District

Waikhom Mani Girls' College is located at Thoubal Okram, Thoubal District, Manipur and about 22 km from Imphal city. It was established on 20<sup>th</sup> Nov., 1980 by the local people, educationalist and social workers for the promotion of female higher education, where the woman literacy rate is very low in comparison to urban areas of Imphal East and West Districts of Manipur.

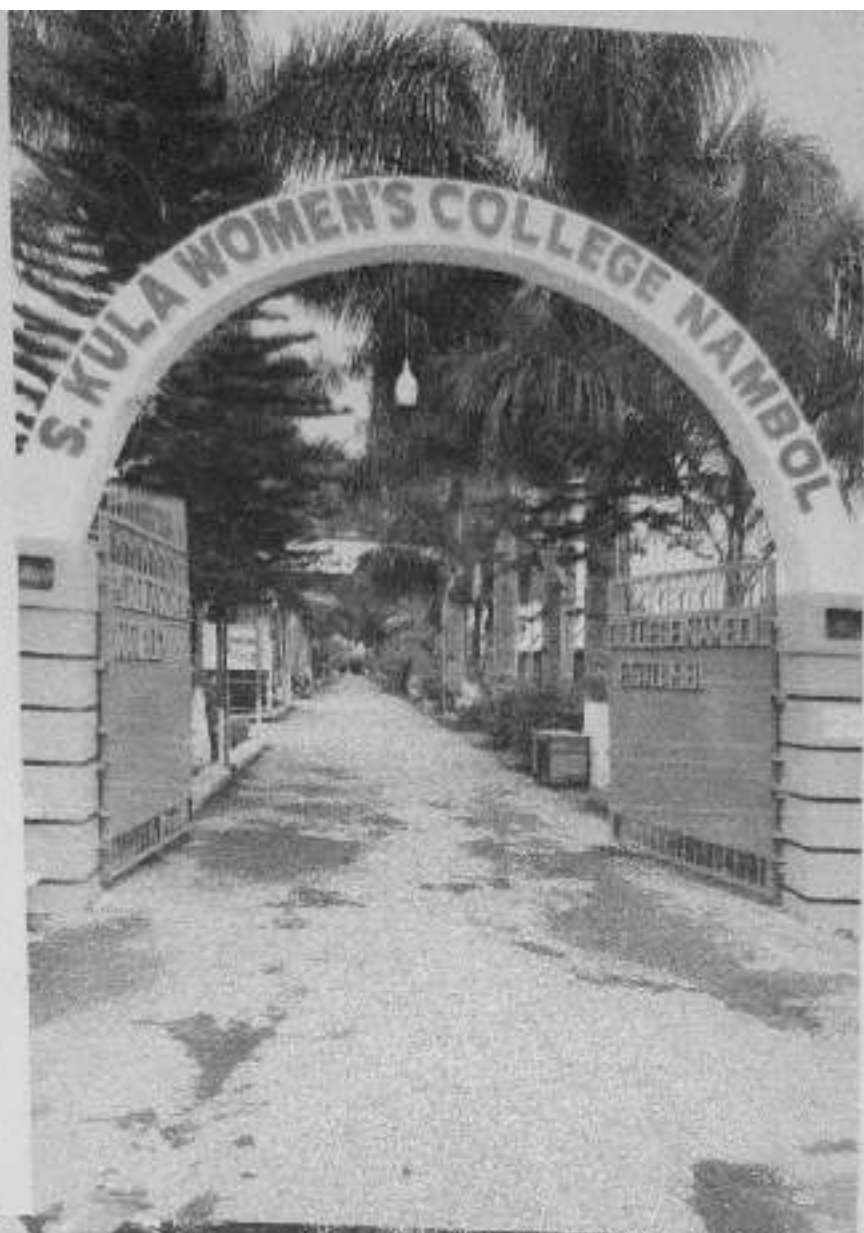

At the time of establishment the college was named as Thoubal Girls College. On 9<sup>th</sup> Feb., 1981, the foundation stone of the college was laid down at the present campus of Thoubal Okram village, besides the Indo-Myanmar Road, National Highway — 39.

Shri. Waikhom Ahanba Singh donated Rs. 1 lakh for the construction of four class rooms and the college was rechristened to Waikhom Mani Girls' College in honour of his father, Shri. Waikhom Mani Singh, Ex-Deputy Minister Education, Govt. of Manipur 1965.

This college is a private type institution, now converted to Govt-aided and UGC approved NAAC Accreditation Grade — B. The courses offered in this both Arts and Science Streams. They are Anthropology, Botany, Chemistry, Zoology, Home Science, Sociology, Geography, Education, Mathematics, Computer Science, Economics and various other courses including Vocational Courses and Career Oriented Courses.

Some of the facilities available are girls hostel, gym, auditorium, wi-fi, AC class rooms, IT Infra-structures, alumni associations, laboratories, parking facilities etc.

## **2. S. K. N Women's College, Nambol, Bishenpur District, as per prescribed in the syllabus for B.A./B.Sc., 6<sup>th</sup> Semester, Manipur University**

S. K. Women's College is located at Nambol, Bishenpur District, was established in 1981, with a mission for women's to excellence in higher education which is of paramount importance as it serves indicator in bringing about socio-economic changes towards development, prosperity and well-being of a society. The college aims to empower women through human ethics and value added education. The motto of the college is—

**"Learn, Serve and Empower"** which truly signified by the emblem of the college.

## CONCLUSION

Educational tours play a very important role in educating students in a practical and interesting manner. Educational tour can impart knowledge from the real fields and data collected from the different sources. As an educational tour of the Department of Home Science Moreh College Home Science offering students organised such an important study tour on \_\_\_\_\_ to Waikhorn Mani Girl's College, Thoubal Okram and S.K. Women's College, Nambol Bishenpur District, Manipur as a part of study prescribed in syllabus by Manipur University.

By visiting different Colleges in Manipur we could enjoy seeing the facilities of infrastructures, play fields different departmental equipments and instruments which could not see in our College. It could improve our knowledge in various fields. Thus study tour can upgrade new skills, concepts, encouraging students learn new environments, new knowledge, practicability and ensure quality education.
